

ISCC 2015

The Twentieth IEEE Symposium on Computers and Communications.
06/Jul - 09/Jul 2015 | Larnaca, Cyprus

Call for Papers

ISCC 2015, in its 20th anniversary, will provide an insight into the unique world stemming from the interaction between the fields of computers and communications. ISCC 2015 will provide an international technical forum for experts from industry and academia to exchange ideas and present results of on-going research in most state-of-the-art areas of computer and communications. This year, special focus will be on the challenging issues and opportunities related to the computing, sensing and communication in the era of the Internet of Things, Cloud Computing and Big Data. You are invited to submit a full paper or a proposal for a panel/invited session or a tutorial, related to the following topics of interest.

Access Networks	Economic and Regulatory Issues	Security, Cryptography and Privacy	Web Services and Service Oriented Architectures
Digital Media Technologies	Optical Networking	Software Engineering	Wireless, Cellular and Mobile Communications
Bioinformatics and Medical informatics	E-Commerce and E-Services	Internet Services and Applications	Green Networking and Smart Grid
Modeling and Simulation	Fault-Tolerance and Error Recovery	Standards Evolution	Internet of the Future
Big Data, Data Mining and Database Applications	Peer-to-Peer Computing	Advances in Internet Protocols	Bio-inspired Computing in Communications
Digital Satellite Communications Service	Real Time Communication Services	Management of Telecommunications and Networks	Communications Services and Management
Network Design, Optimisation and Management	Grid, Cluster and Cloud Computing	Cognitive Radio Networking	Internet of Things and Smart Cities
Next Generation Networks Infrastructures and Management	Routing and Multicast	Sensor Networks and Mobile Sensing	Artificial Intelligent Systems
Distributed Systems Architecture and Management	Human Language Technologies	Distributed and Mobile Middleware	Social Networks and Crowdsourcing
Network Reliability, Quality of Service and Quality of Experience	Image Processing and Visualization	Overlay and Programmable Networks	Services and Support for Smart Cities
Cloud Computing	Wireless body area network and wireless health		

General Co-Chairs

Andreas Pitsillides, University of Cyprus, Cyprus
Mahmoud Daneshmand, Stevens Institute of Technology, USA

Technical Program Co-Chairs

Vasos Vassiliou, University of Cyprus, Cyprus
Honggang Wang, University of Massachusetts, Dartmouth, USA

Local Arrangement Co-Chairs

George Pallis, University of Cyprus, Cyprus
George Papadopoulos, University of Cyprus, Cyprus

Finance and Registration Co-Chairs

Reda Ammar, University of Connecticut, USA
Christos Douligeris, University of Piraeus, Greece

Publication Co-Chairs

Josephine Antoniou, University of Central Lancashire, Cyprus
Nicos Komninos, City University London, UK

Keynote Speakers Co-Chairs

Panayiotis Kolios, University of Cyprus, Cyprus
Marios Lestas, Frederick University, Cyprus

Workshop Co-Chairs

Periklis Chatzimisios, Alexander Technological Educational Institute of Thessaloniki, Greece
Andreas Kamlaris, University of Cyprus, Cyprus
Massimo Villari, University of Messina, Italy

Publicity Co-Chairs

Habib M. Ammari, Univ. of Michigan-Dearborn
Chrysostomos Chrysostomou, Frederick University, Cyprus
Mario Dantas, Universidade Federal de Santa Catarina, Brazil
Salil Kanhere, University of New South Wales, Australia
Ahmet Sekercioglu, Monash University, Australia
Qing Yang, Montana State University, USA

Steering Committee

Reda Ammar, University of Connecticut, USA
Antonio Corradi, University of Bologna, Italy
Mahmoud Daneshmand, Stevens Institute of Technology, USA
Christos Douligeris, Univ. of Piraeus, Greece
Adel S. Elmaghraby, Univ. of Louisville, USA
Hussein Mouftah, University of Ottawa, Canada
Sartaj Sahni, University of Florida, USA
Ahmed Tantawy, IBM, USA

Important Dates

- Paper submission deadline: **February 16, 2015**
- Notification of paper acceptance: **March 27, 2015**
- Submission of camera-ready papers due: **April 17, 2015**

Contact Information

Technical Program Co-Chairs

- [Vassos Vassiliou](#), (University of Cyprus, Cyprus)
- [Honggang Wang](#), (University of Massachusetts, USA)

Guidelines

Review manuscripts should describe original work and should be no more than **8** pages in the [IEEE double column proceedings format](#) including tables, figures and references. Note that accepted papers up to **6** pages will be published with no additional charge. Exceeding pages will be charged an additional fee. Extended versions of selected best papers will be recommended for publication in a Special Issue of a prestigious International Journal.

Submit a Paper

Please use the EDAS submission server: <http://edas.info/N18819>

IEEE reserves the right to exclude a paper from distribution after the conference (e.g. removal from IEEE Xplore) if the paper is not presented at the conference.

Publication

Accepted papers will be included in IEEE-ISCC Proceedings, to be submitted for inclusion to [IEEE Xplore](#).

Please note that final paper acceptance is conditional upon proper formatting (IEEE Xplore compliant) and a satisfactory standard of English.

At least one of the authors will be required to register and attend the symposium to present the paper in order to include the paper in the conference proceedings.

Please note that final paper acceptance is conditional upon:

- One of the authors registers and one of the registered authors presents the paper.
- Payment is made and online copyright transfer form is signed and uploaded.
- The paper follows given format and the PDF file is IEEE Xplore compliant
- The standard of English is satisfactory

In the last years, the IEEE-ISCC Proceedings published in IEEE Xplore have been indexed by [ISI](#), [dblp](#) and Scopus. This makes the IEEE ISCC one of the publication venues with higher visibility and impact in both Computer and Communications areas.

If you have any questions, please contact the Technical Program committee.

ISCC 2015

The Twentieth IEEE Symposium on
Computers and Communications

Dates

06 - 09 July, 2015

Venue

Golden Bay, Larnaca, Cyprus
